## A Trilogy

### **KATA**

Perfect form at perfect speed,  
not the greed of a rushing pace  
but total command of  
beauty, power, form and grace  
in motion

### **KUMITE**

Superior mind with a lion heart;  
flashing weapons, quicker start;  
perfect speed in relentless fire,  
attacking wind that never tires  
of reeking havoc to imbalanced foe;  
only the Warriors Victorious know--  
champions never, ere give up;  
their will, unyielding, fills the cup  
of victory.

### **WEAPONS**

Fluid motion, relaxing grace  
(tension destroys the fighting pace);  
whirling weapon strikes and moves  
in perfect rhythm, harmony and mood;  
exact, precise but fluid still  
the weapon moves to its master's will,  
cutting, slashing with a silent hush,  
the warrior know he must never rush;  
for control of the fire that burns within  
is the goal of the Warrior who wills to win.
