

GOLDILOCKS and the TWINS MEMORIES OF KIA HISTORY

Another fun-filled trip to England! Love these girls!

Nicole Hackler, whose KIA callsign is “Goldilocks,” shares time with KIA twin sisters Jennifer Brown Alston, callsign “AB,” and Lori Brown Sagaral, callsign “LB,” pose for their trip to England, and my-o-my what a wonderful trip it was too! How fortunate they were to share some of their photos with the Karate Institute of America. Enjoy!

Here we see Nicole in the middle of the twins—Jennifer and Lori. Great smiles all!

St. Ives is a beautiful little place!

The beautiful town of Bath...we stayed in the Abbey Hotel, seen in the background...

Enjoying each other after. How fun to re-connect!

Remember when these sisters studied at the KIA some 30 years ago?

How fun is this! Such a great way to recognize their family. Just point those fingers upward!

Goldilocks recognizes the MORRIS family too!

Bath Abbey during the day. Beautiful!
